Arcos Cabinet Knob

Solid wood, softened by hand

The Arcos is cut from solid wood and shaped into soft, rounded forms — round, triangle, ellipse, or rectangle — each one hand-sanded until the surface feels warm rather than raw. The grain stays visible through the finish, so no two knobs read quite the same. It's a small, tactile detail meant to be touched as often as it's seen.

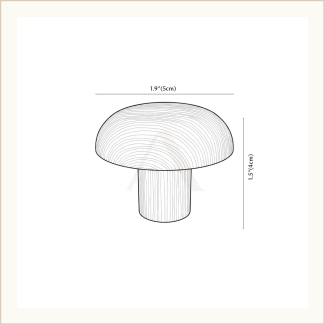

SPECIFICATIONS · SHARED

DIMENSIONS	Round D5cm x H4cm / Triangle L6.4cm x W4.6cm x H4cm / Ellipse L6cm x W4.1cm x H4cm / Rectangle L4.9cm x W4cm x H4cm
