Besalu Wall Light

A globe that asks nothing

The Besalu holds a seamless glass globe inside a sculpted wood frame, its grain running visibly along the curve. The glass diffuses the source evenly, so the glow sits close to the wall as a soft halo rather than a hard point of light. Wood, metal backplate, and glass layer together into something that feels calm at eye level, meant for the slower hours of the day.

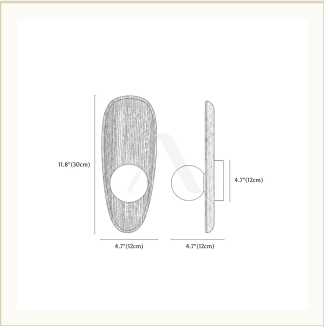

SPECIFICATIONS · SHARED

DIMENSIONS	L12cm x W12cm x H30cm / L20cm x W12cm x H26cm
WATTAGE	5W (550lm)
WEIGHT	1.1kg
MATERIAL	Metal, Wood, Glass
FINISH	Wood
LIGHT SOURCE	Integrated LED
DIMMABLE	On request
VOLTAGE	90-260VAC
INSTALLATION	Wall mount
CANOPY	D12cm

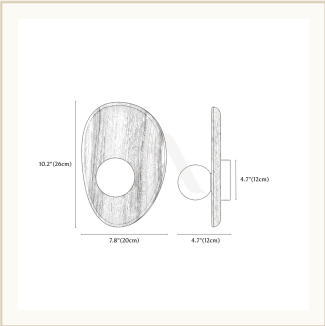

EMITTING COLOR

WARM WHITE (3000K)

CONFIGURATIONS · 2 SIZES

A: L4.7"(12CM) X W4.7" (12CM) X H11.8"(30CM)
ND-BESA-1
