PRODUCT SHEET · TABLE LAMP

Bekond Table Lamp

Travertine column, warm LED glow above

The Bekond is cut from yellow travertine — a warm stone with the pitted, veined surface that comes from millions of years of natural deposition. The conical base tapers to a narrow foot, giving it a slight sculptural tension, while the cylindrical top holds the integrated LED. A corded lamp that plugs into any wall socket, compact enough for a bedside or desk.

SPECIFICATIONS

MATERIAL	Travertine
FINISH	Beige / yellow stone
LIGHT SOURCE	Integrated LED, 10W (1100 lm)
DIMENSIONS	D 12 cm x H 30 cm

POWER	Corded wall plug
VOLTAGE	90–260V
