PRODUCT SHEET · CHANDELIER

Belley Chandelier - Blue

Crystal and fabric in blue, tiered

The Belley Chandelier stacks metal tiers hung with crystal drops and fabric-shaded E14 bulbs, so the glow is warm and layered rather than hard and bright. The blue finish runs through the metalwork — a considered chromatic choice that shifts the fixture from standard to specific. Six to eighteen heads; replaceable LEDs throughout.

SPECIFICATIONS · SHARED

MATERIAL	Metal, Crystal, Fabric
FINISH	Blue
LIGHT SOURCE	LED E14 (replaceable, included)
CONFIGURATIONS	6 / 8 / 10 / 12 / 15 / 18 heads
