PRODUCT SHEET · PENDANT LIGHT

Casares Pendant Light

A slim disc, glowing evenly

The Casares keeps its profile low and flat, an iron ring holding an acrylic diffuser that spreads the LED evenly across its face rather than letting it pool in the centre. The metal structure stays visible at the edge, grounding what would otherwise be a soft, glowing disc. Compact enough for a bedside table, wide enough to sit comfortably over a small dining setting.

SPECIFICATIONS · SHARED

DIMENSIONS	D25cm x H12cm / D35cm x H12cm
WATTAGE	10W (1000lm)
MATERIAL	Iron, Acrylic
FINISH	Wood
LIGHT SOURCE	Integrated LED
