PRODUCT SHEET · PENDANT LIGHT

Fell Pendant Light

Stone and wood, flared upward

The Fell is carved from yellow travertine — a warm, earthy stone that carries its own natural veining across the surface. The shade flares outward at the rim, letting the light spill upward as well as down. A wood accent at the top ties the material palette together. The cord adjusts to 1.2 m and works on sloped ceilings.

SPECIFICATIONS · SHARED

DIMENSIONS	D 19 cm x H 20 cm
WEIGHT	2.7 kg
