Haguenau Floor Lamp

Glass shade, warm glow in the corner

The Haguenau Floor Lamp takes its cues from 1970s design: an iron stem in chrome, a hand-crafted glass shade that sits at the height of a reading chair. The glass softens the LED source into a warm, room-filling glow — non-glaring, easy to sit beside. Three light modes, optional remote dimming, replaceable E27 bulb.

SPECIFICATIONS

MATERIAL	Iron, Glass	WEIGHT	4.5 kg
FINISH	Chrome / Orange	VOLTAGE	90–260V
