PRODUCT SHEET · PENDANT LIGHT

Lagen Pendant Light

Tiered cream metal, softly lit

The Lagen builds upward in three concentric rings of cream-finished metal and glass, each layer stepping the light down before it reaches the room. It's not a fixture that announces itself — it settles. Compact enough for smaller spaces, warm enough to anchor a dining corner or bedside nook. Adjustable cord to 1.2 m; sloped ceilings welcome.

SPECIFICATIONS · SHARED
