PRODUCT SHEET · TABLE LAMP

Lons Table Lamp

Glass dome on copper iron, Nordic warmth

The Lons Table Lamp is a full glass dome resting on a copper-finish iron base, so the LED inside creates a warm interplay of refraction and glow — depth inside the glass, not just light at the surface. The Nordic-inspired proportions keep it low and broad: substantial enough to read as a design object, compact enough for a bedside table or shelf. Replaceable G9 LED included.

SPECIFICATIONS

MATERIAL	Glass, iron
FINISH	Copper
LIGHT SOURCE	LED G9 (replaceable, included)
WATTAGE	5W (500 lm)
DIMENSIONS	D30 x H35 cm

WEIGHT	10–12 kg
VOLTAGE	90–260V
DIMMABLE	No
INSTALLATION	Corded wall plug
CERTIFICATIONS	UL, CCC, CE, CQC, EMC, FCC, GS, LVD, PSE, ROHS, SAA, VDE

KEY FEATURES

- Full glass dome — creates depth and warmth through refraction
- Copper-finish iron base — substantial, stays put on any surface
- Nordic proportions: low, broad, considered
- Replaceable G9 LED — change it with any standard G9 bulb
- Works in living rooms, bedrooms, studies, and exhibition spaces
