PRODUCT SHEET · TABLE LAMP

Wupper Table Lamp

Travertine base, glass diffuser above

The Wupper Table Lamp pairs a natural travertine base — rough-textured, cream-toned — with a rounded glass diffuser that sits directly above it. The diffuser softens the E27 LED into a warm, even wash rather than a point source. Compact at 18 cm wide and 17 cm tall, it fits a bedside table, a desk corner, or a shelf without demanding much room. Corded wall plug — no hardwiring needed.
