PRODUCT SHEET · WALL LIGHT

Zurgena Wall Light

A brass dome, quietly aimed down

Zurgena extends a gently curved brass dome from a slim matte-black arm, a small architectural gesture on an otherwise plain wall. The dome directs its glow downward with a calm, focused presence, while the contrast between warm brass and matte metal keeps the whole fixture from reading as fussy. Compact enough for a bedside, considered enough for a hallway run.

SPECIFICATIONS · SHARED

DIMENSIONS	D 8" (20.3 cm) x W 10.5" (26.6 cm) x H 7" (17.7 cm)
WEIGHT	400 g
